Dear Mr. Reinisch:

We are glad to learn that claims have been allowed in this "LTF" case. Please pay the issue fee in due time. First you may want to study this Celanese patent, 4,233,993, to Miano et al., which is enclosed. Some claims contain errors; Claim 6 has misspellings of alginate and magnesite and presumably an error at lines 38-39.

Very truly yours,

G. Esler Inskeep
